PAXPAY BOUNTY PROGRAM

We are very excited to reach out to the community for support in spreading the word about PaxPay!

We have set aside a good 3.5 million PAX Tokens of the total sale of the PAXPAY TOKENS for bounty program for participants who participate.

We will also be giving away $250 dollars worth of ETH for best video content posted by a participant!! This will be done halfway through the token sale.

There will be more reward giveaways throughout the token sale, so make sure to always check back on the ANN thread and follow us on social media to get the latest updates and catch it in time!!!

Here is the spreadsheet for public viewing and records. Please note: Don't worry, we hide participants personal info for safety and security reasons. Ex: Participants email, facebook url, etc. If you notice something we need to fix in the spreadsheet, please PM us.

https://docs.google.com/spreadsheets/d/1MNxqsKLXbOOjXQq0Gx_MsGAbs860BrfRhV52tvJkHpE/edit?usp=sharing

Please carefully read through the rules down below.

Please note: Bounties will be paid after the end of the token sale. Please be patient for your bounty, as this has to be done manually by us.

VERY important rule: Do not submit an ETH address from an exchange or any 3rd party service. Only provide an Eth address from a personal wallet where only you have control of the private key. We will not be liable for you not receiving your bounty if you do not follow this rule. Once you have submitted an ETH address for your bounties, it will not be changed under any circumstances. So please be careful and make sure you are submitting correct information.

IMPORTANT: If you are participating in more than one campaign, please use the SAME Ethereum address for the whole campaign.

IMPORTANT: It is extremely important to do your own work and not cheat, copy, or steal others' work. Doing so will get you blacklisted from this and all future campaigns. We will have more campaigns after the token sale.

We have the right to make changes to terms and conditions, if deemed necessary.

If you have any questions, just let us know through PM or Telegram.
Thanks
